

# LITTLE BITER

1. Print out the page and color the Biter's face.  
(You may need to make him first to see how he looks, and then unfold him to color him.)
2. Cut out the Biter along the biggest gray square.
3. Look on the other page for instructions to see now to fold the Biter.

Good for  
nibbling  
your friends!

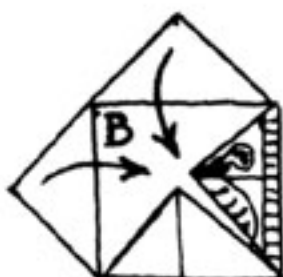

# LITTLE BITER DIRECTIONS

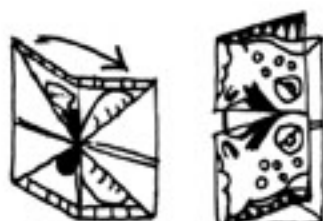

## How to Fold the Biter

Look at the Little Monster on the other page to see how to hold the Biter.

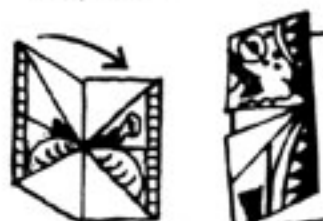

1. From the back, fold the corners into the center along lines A, and crease.

2. Turn Biter over, fold corners into center along lines B, and crease.

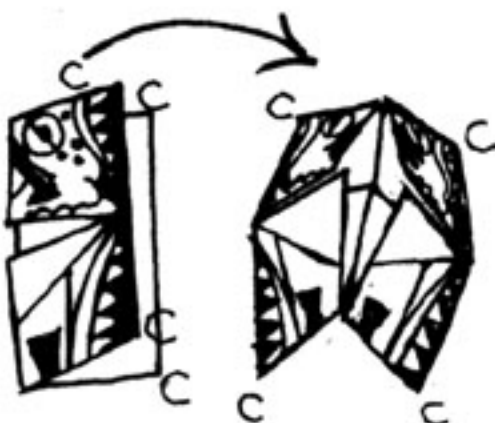

first fold

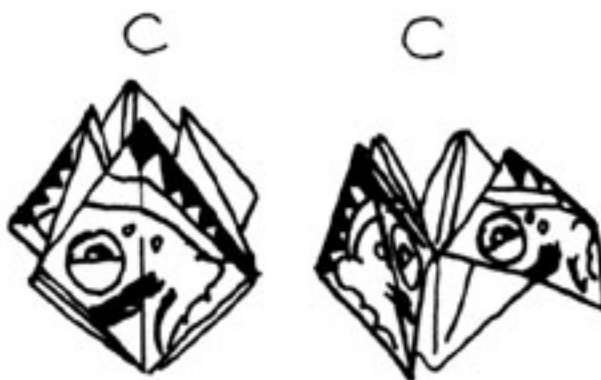

second fold

3. Fold Biter in half both ways, as shown, and crease.

4. Hold Biter at points C and move your hands together so all four points C meet in center.

5. Hold the points together where they meet and open out the bottom corners.
