

My Doggie
(Lies In A Mud Puddle)
by Mercer Mayer

My doggie lies in a mud puddle.
His fur is all muddy and wet.
I surely do love my dear doggie,
but he's just too messy to pet.

Clean up! Clean up! Clean up
my doggie for me, for me!
Clean up! Clean up!
Clean up my doggie for me!

We put my dog into the washtub.
Mom said, "Go get the shampoo."
but my doggie squirmed and he wiggled.
Now we're wet and all muddy, too.

Clean up! Clean up!
Clean up my doggie for me, for me!
Clean up! Clean up!
Clean up my doggie for me!
